## Sport Specific Services

### ■ Image rights

With our insight and expertise we will ensure you maximise your earning potential from 'branding' your name and image.

### ■ Personal endorsements

We provide comprehensive advice with regards to all merchandise issues including sportswear, book deals, TV deals, computer games, etc.

### ■ Regulatory matters (e.g. Anti-Doping)

We advise on the implication of regulations and provide representation for those who fall foul of them.

### ■ Dispute Resolution & Representation before tribunals

We have many years experience in representing sportsmen and women before governing body internal hearings and tribunals as well as advising on the legal implications of civil proceedings.

### ■ Contract Negotiations

We can help you and/or your advisor negotiate and draft your contract of employment, contract for services and agency agreement.

### ■ Reputation Management

Maintaining and protecting your good reputation is crucial to both professional and commercial success. We have detailed knowledge of the various media codes as well as practical experience of working on defamation, privacy and confidentiality cases.

### ■ Disputes

Your personal lawyer will assist you in solving any arguments or disputes that may occur inside or outside your sporting career.

### ■ Tax planning

From testimonials to contract payments, there are a range of tax efficient products we can introduce to you - and flag potential issues!

### ■ Sports injuries

With over 50 years' experience we possess the expertise to successfully deal with injuries of any type. Should an injury end your career early we will advise you on relevant insurance policies as well as considering potential legal claims.

## Personal Legal Services

### ■ Visas

The regulations surrounding VISA applications can be complicated and daunting. We can also advise on VISA applications for your dependants.

### ■ Property

Whether you are moving house, starting a business or buying an investment property, you can leave all the legal aspects to us while you get on with your career.

### ■ Family matters

Upset, worried, distracted? Let us put your mind at rest with helpful advice and support ranging from prenuptial agreements to matrimonial advice and assistance with child issues.

### ■ Motoring offences

From speeding to more serious offences, we can take care of your problems.

### ■ Preparation of Wills, Trusts and IHT planning

Make the time and effort to make a will. After all you have achieved you owe it to yourself and your family.

### ■ Business set-up and corporate advice

If you are coming to the end of your sporting career and are considering starting a new career in business, we have vast experience in business start ups for retired sportsmen and can set you up on a sound legal footing and work with you as trusted business advisors to help you achieve your new goals.

### ■ Personal Charities

We have experience in establishing charities for sports personalities so that you can make donations in a tax efficient way and dictate where the money is spent.
